

Compensation Plan

There are three ways to create income with Time & Money.

1. 10% Referral Bonus

Receive a 10% commission on purchases from those you personally sign up. You receive this payout instantly.

2. 10% Monthly Commission

Receive a 10% commission on all sales you and your weaker leg make. You will receive this payout on a monthly basis. Maintaining at least \$100 in personal volume qualifies you for this commission. Qualifying for this commission also qualifies you for the Quarterly Profit Sharing.

3. Quarterly Profit Sharing

The quarterly profit sharing dividend is paid every quarter. Time and Money Group will pay out all of its profits to Members who qualify. The amount you receive is based on the amount of your 10% monthly commissions for the quarter.

We created the Time & Money Group to be a vehicle that people could use to help themselves and to help other people reach their goals and dreams. This is to recognize those who are on the path to making a significant difference in the lives of others and leaving a legacy for generations to come. ~ Founders Randy & Julie Patterson
