

# Immune Booster

## Wholefood Supplement

**Your immune system takes a beating from pollutants and viruses and the myriad of bugs that are "going around". Immune booster fortifies your immune system so you can fight off that cold or flu bug.**

## Ingredients

**(Every ingredient is organic!)**

Echinacea - used as a dietary supplement for the common cold and other infections and it can help stimulate the immune system to effectively fight infection.

Astragalus - has been used in traditional Chinese medicine for thousands of years to strengthen the body's immune system. It is also high in antioxidants.

Elderberry - Studies support that Elderberry can help with flu symptoms including aches, fever, sore throat, and coughs.

Reishi Mushroom - help support your immune system. It has many polysaccharides, antioxidant properties, and beta-glucans that can help with immune function.

Rosehips - a great source of the complete package of vitamin C which helps to boost your immune system.
